

Hello all NM D5 Little League parents:

Big Al Baseball, in this difficult time, and with most of our children being out of school, has graciously offered access to his award winning parent programs for all D5 parents.

NM D5 Little League now has access to Big Al's online training and development programs and resources for all of the Parents and Players in our District for 2020.

The parent programs include...instructional videos of the fundamental skills that player should learn and practice at both the 4-8 year old and 9-12 year old levels.

The online programs also includes a Section called **Practice at Home**. This section of videos includes lots of fun drills, games and challenges that you can practice at home so you can get stronger and improve your skills all season long. There is also a section on **strategy and positional play** with roles and responsibilities for every player on the team in a variety of game situations. These resources will help you and your son or daughter have fun, stay in shape and improve their skills at home over the next few weeks and all season long.

To have a quick look at what the programs include please watch the 2 short Parent Videos on the front page of www.bigalbaseball.com.
